RE: Mining Plan modification Federal Gilsonite Lease UTU-060749

The Bureau of Land Management (BLM) is requesting that American Gilsonite Company (AGC) provide a plan view map that is scaled for your request for a mining plan modification that is dated March 10, 2006. BLM requests the following information be placed on the plan view as a minimum.

1. Location of the WH #4 Shaft
2. Location of the vein
3. Vein width
4. Location of all fences
5. Location of all disturbances. Differentiate the disturbance that is in non-compliance.
6. Location of escapeway (Labeled as previously approved)
7. Location of escapeway travel way (Type of travel)
8. Circle/Arc drawn with a 75 foot radius. The area inside this should circle/arc should be labeled as disturbance previously approved under original mining plan.
9. Potential location of suction and air lines.

Sincerely,

JAMES F KOHLER

James F. Kohler
Chief, Solid Minerals Branch
